

RAILS AND LADDERS

Our ladders and rails are available with a variety of options:*

- Tubing sizes: 1.50", 1.625" or 1.90" OD
- Wall thicknesses: .049", .065", .109", .145"
- Steel finishes: 304 or 316L
- Coatings: SealedSteel Salt Friendly or powder coating

*Not all options are available on all ladders and rails. Please visit our website for more information.

rails & ladders

UNIQUE DESIGN ELEMENTS THAT MAKE A POOL SPECIAL

When you choose S.R.Smith, you are choosing ladders and rails that can turn an ordinary pool into the extraordinary. From standard to custom, in a wide range of finishes, our rails can add both form and function to any pool.

FINISH WITH STYLE

Polished stainless steel—(304) is standard, or marine grade (316L) is an option for a higher level of protection in extreme environments.

Powder Coating—a high quality, scratch and corrosion resistant coating.

SealedSteel® Salt Friendly—a protective vinyl coating that completely encapsulates the steel, and performs well in salt pool and other harsh environments (not available with Artisan Series Rails).

Due to printing technology, actual colors may vary.

CUSTOM RAILS—ANY SIZE OR SHAPE

Whether it's a minor variation to one of our standard rail configurations, or something from your own imagination, look to S.R.Smith to help make your vision a reality. While it's true that ladders and rails should be hardworking and functional, they also have the power to help make your pool an architectural masterpiece. What's more, S.R.Smith keeps your project on track with the fastest turnaround time in the industry.

We offer a variety of options so every rail will be built to your exact specifications.

Tube options

WALL THICKNESS	304 STAINLESS STEEL	316L STAINLESS STEEL
.049"	1.625" OD & 1.90" OD	1.625" OD & 1.90" OD
.065"	1.50" OD, 1.625" OD, & 1.90" OD	1.50" OD, 1.625" OD & 1.90" OD
.109"	1.90" OD	1.50" OD, 1.90" OD
.120"	1.50" OD	1.50" OD
.145"	1.90" OD	1.90" OD

We can powder coat or SealedSteel Salt Friendly vinyl finish your rails and ladders to match the decor of your masterpiece.

POWDER COATING

Powder coating is a durable finish that is easy to maintain, corrosion and scratch resistant, and is available in a wide variety of colors.

SEALEDSTEEL® SALT FRIENDLY*

The stainless steel rails you've counted on for years are now designed for salt pools. Our SealedSteel Salt Friendly rails are housed in a protective coating that virtually eliminates corrosion, and stays cool to the touch, even in extreme temperatures.

*SealedSteel cannot be used in spas and heated pools where the water temperature exceeds 100 degrees F.

Sealing Cap creates full encapsulation—(shown pulled off).

WetTraction™ Increased traction when wet. No more slippery rails.

StressLess™ Vinyl coating fully encapsulates stainless steel to lock out corrosion.

FUNCTIONAL ELEGANCE

Artisan Series designer inspired rails

The Artisan Series is a patent pending designer inspired rail line that provides an elegant custom look for any pool environment.

- 1.90" OD tubing
- .065" wall thickness
- 304 or 316L stainless steel
- Ladder features stainless steel treads
- Contact S.R.Smith for powder coating option

ADA COMPLIANT RAILS

S.R.Smith's rail line has been expanded to include ADA compliant transfer rails and handrails. Designed to meet the specifications issued as part of the update to the ADA law, our ADA rails help meet government specifications, and provide pool users an easy transition into the pool.

Stair Rails

- Height: 34"
- Diameter: 1.90" OD
- Extends at least 12" beyond the top and bottom of the stair landing.

3-Bend Handrail

Extended 2-Bend Handrail

Transfer Rails

- Height: 5.75"
- Length: 12", 14", 16" or 18"
- Meets ADA structural strength requirements.

Bent Transfer Rail with flanges

WE MAKE QUOTING AND SPECIFYING EASY

Engineering specifications and AutoCAD drawings are easy to add to facility designs and bid proposals. Configure your own custom rails with the S.R.Smith Rail Configurator. This handy tool generates a basic specification document that can be given to your channel partner for a quote.
