**⚠ SAFETY INSTRUCTIONS**

- This equipment is intended for use in shallow water depths.
- During play, do not wear jewelry (rings, watches, necklaces etc.) Objects may entangle in net.
- When removing volleyball posts from anchors place cap in anchor for coverage.

**INSTALLATION INSTRUCTIONS:**

1. Volleyball posts are to be anchored in the deck using 6-inch deep bronze anchor sockets. Install anchors in the pool deck at a location where the game will be played in shallow water depths. Bond anchors as required.
2. Attach the eyebolts to the volleyball posts as shown in the figure above.
3. Place the volleyball posts into the anchors. Attach the volleyball net to the eyebolts of the volleyball posts. Ensure any loose rope from the net is properly secured so as to not provide a hazard.
4. Inflate the volleyball to the proper pressure with the needle provided.
5. Ensure caps are placed in the anchors whenever the volleyball posts have been removed.
